# Marion County Marching Band Festival

The purpose of the *Marion County Marching Band Festival* is to provide our high school bands the opportunity to perform for each other as well as the general public. This is not a competition - bands are not evaluated for a rating. You will see and hear bands cheering for each other with sincere appreciation and encouragement. There is excitement in the air because the official Music Performance Assessment sponsored by the Florida Bandmasters Association is next weekend at The Villages Charter High School. These students are hard working individuals that are going to give you their absolute best effort this evening. We hope you enjoy their shows!

Tonight's performances provide an opportunity for the band directors to see and hear how well their band performs in this setting. Guest commentators include Allen Venezia, Director of Bands and Associate Professor of Music at the College of Central Florida, and Chaz Iannaci, retired band director and long time educator at several central Florida schools . They will be listening, watching, and recording comments of our shows to give us valuable feedback to help us improve. Our announcer for tonight is Mr. David Fritz, retired band director from Fort King Middle School and long time Marion county educator.

The Marion County band directors would like to take a moment and thank the Ocala Optimist Club of Ocala for sponsoring this event from 1973 to 2021. Major contributors were Charlie Dixon and "B" Brooks, finally ending with Alonzo & Mary Braddon and Orlando & Bonnie Marino. We would like to acknowledge them for all of the great moments provided by the former Optimist Club!

Now...ladies and gentlemen, let's enjoy all of the shows!

# Special Thanks to the Optimist Club

This event was formerly hosted and sponsored by The Optimist Club of Ocala, a local organization which supports music education in our schools.
